## LIVE LIFE YOUR WAY.

Whatever you love doing in life, Rugby will not disappoint. And thanks to its superb location, Knox Court is ideally placed to help you take full advantage of the town and the surrounding area. For everyday essentials, a small parade of shops and a Lidl supermarket is less than half a mile from the development. A short walk in the opposite direction will take you to the main shopping area. Either can be reached by bus and the stop is right outside.

Amongst Rugby's bustling streets, you'll find familiar high street names alongside independent stores and boutiques. There's also a shopping centre and the town hosts a market three times a week. Foodies will find plenty of eateries to tempt the tastebuds.

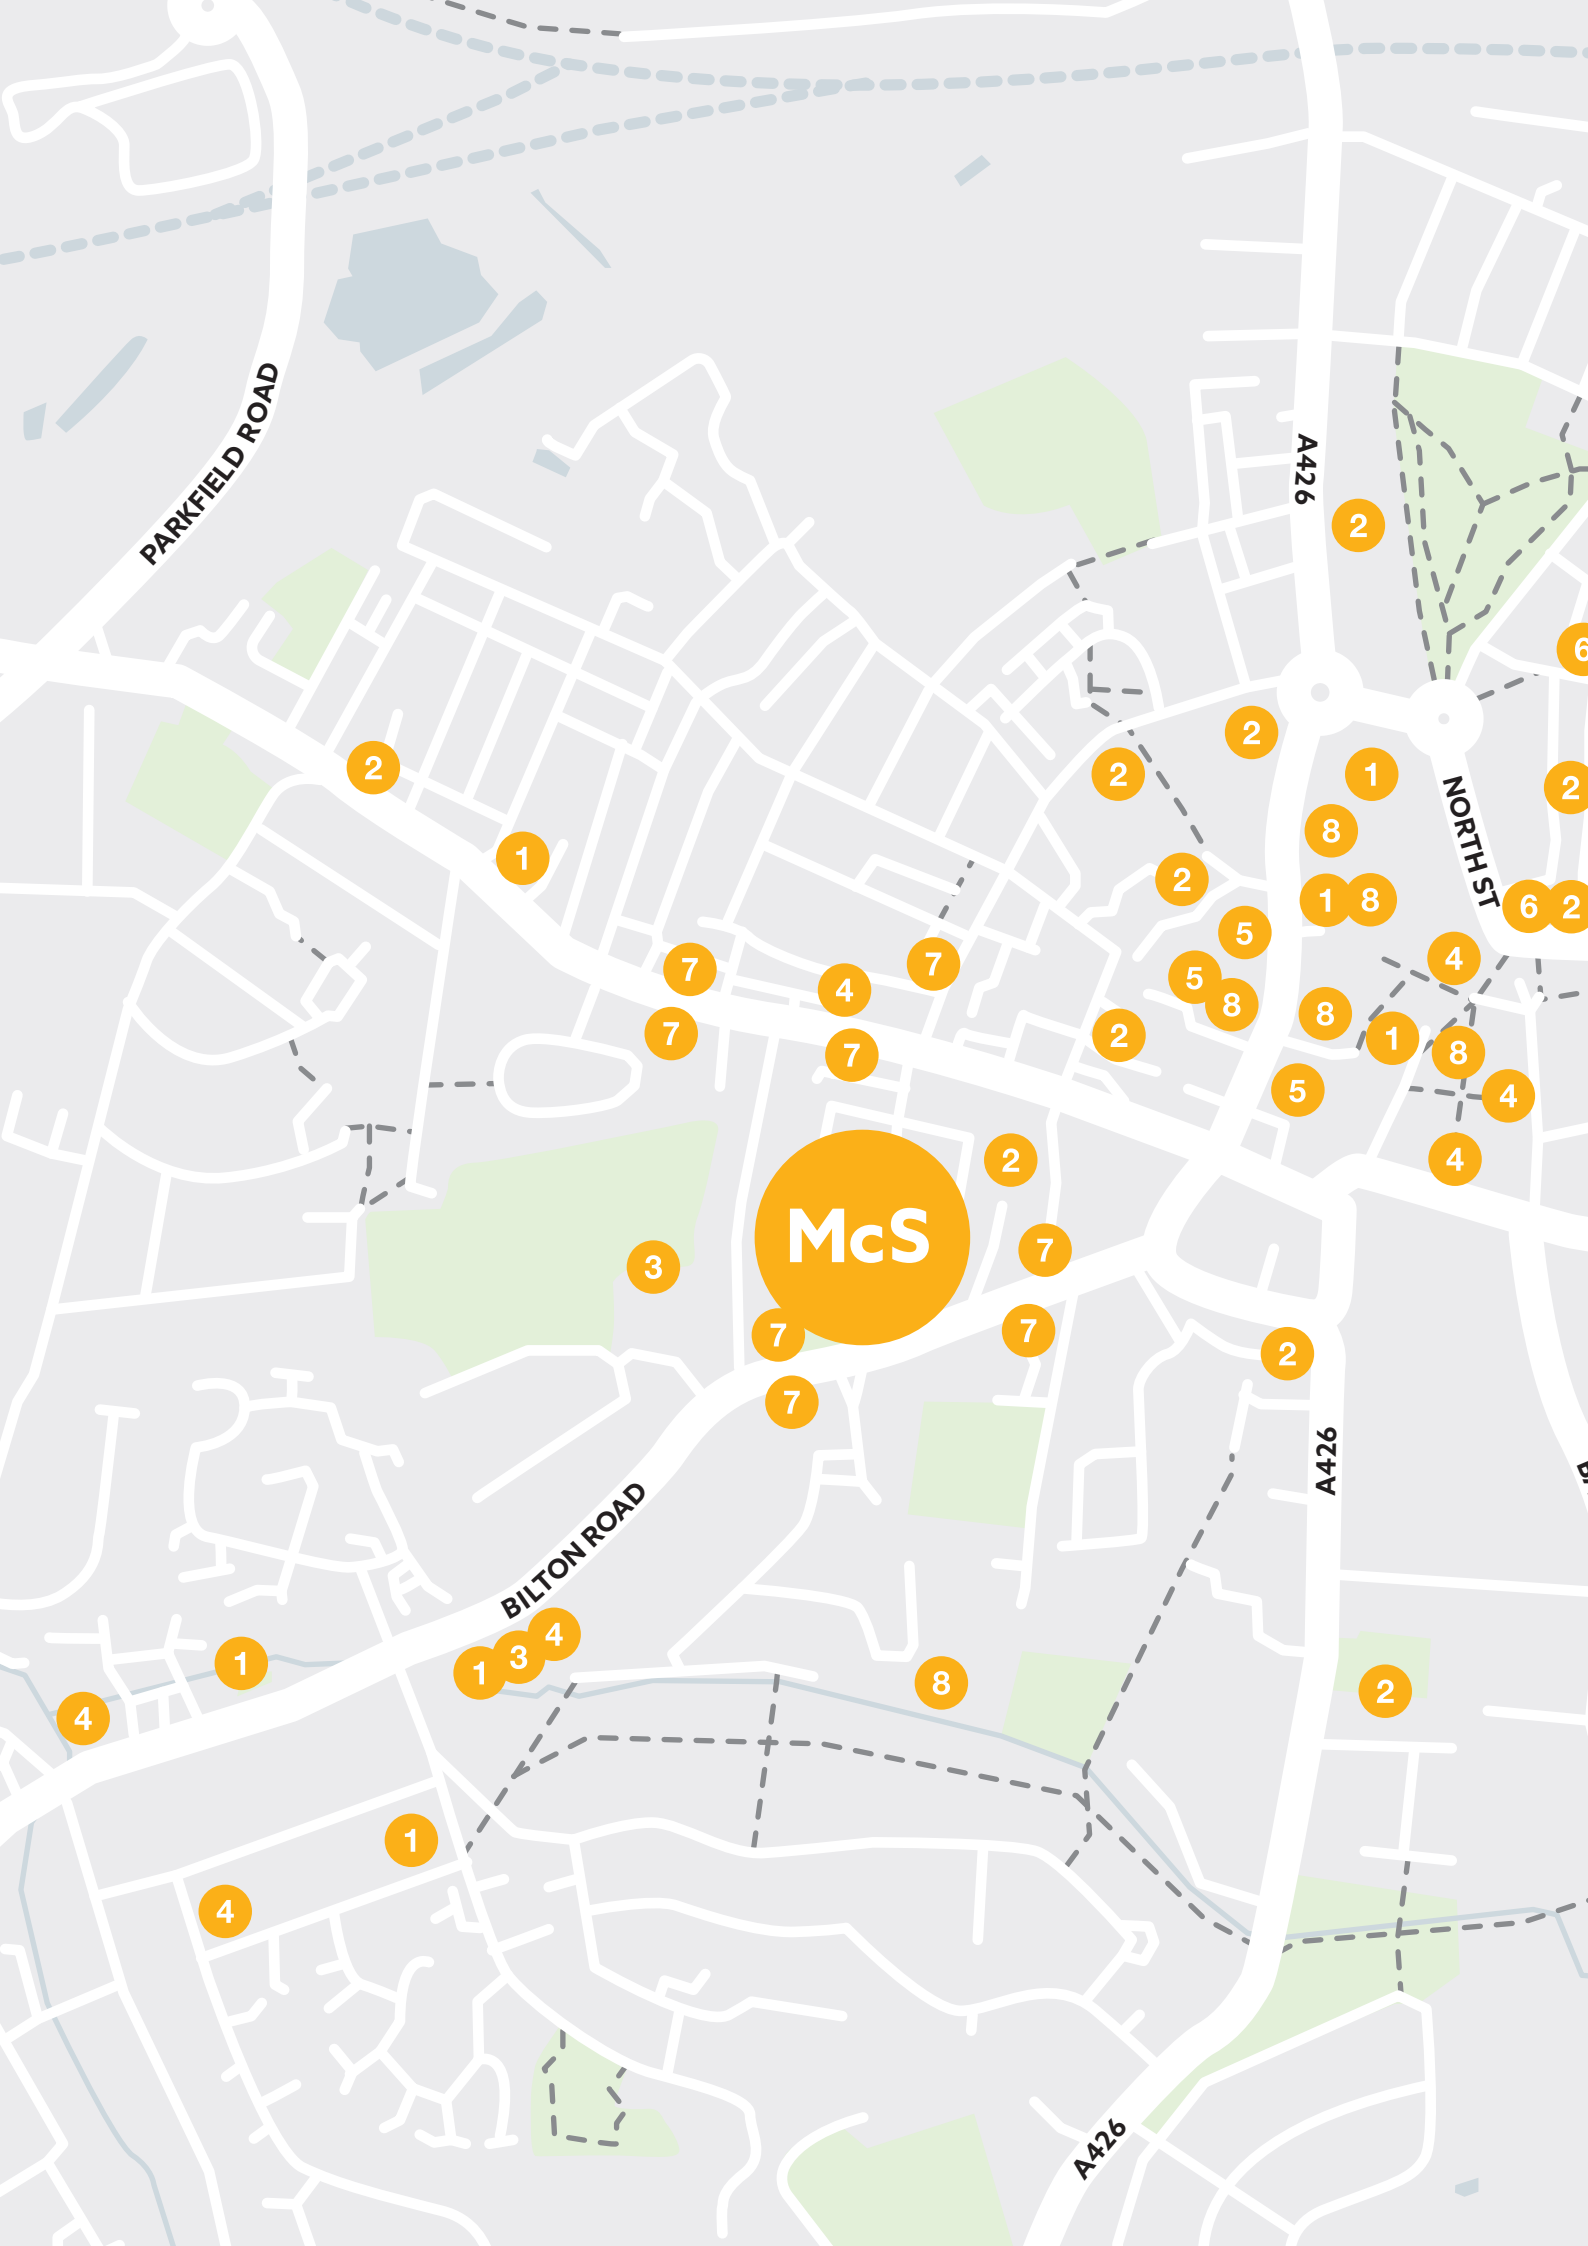

The town is proud to be the birthplace of rugby football. The game was created by the schoolboy William Webb Ellis. His statue now stands outside the town's famous school. Fans of the sport will be delighted to discover a rugby club regularly plays just minutes away from Knox Court. There are lots of other

sports nearby too. A bowls club is next door to the development, a cricket club is just down the road and there's an excellent golf course.

Rugby also boasts a vibrant culture scene, featuring live music, cinema and theatre. The Rugby Art Gallery & Museum has a changing programme of exhibitions throughout the year.

If you enjoy being outdoors, Caldecott Park in the town centre is a delight. You'll find mature trees, beautiful flower beds, a bandstand and programme of outdoor events each summer. Further afield, Draycote Water offers water sports, fishing, wetlands, nature trails and woodlands.

Rugby also benefits from great travel links. It's well-served by an excellent bus network and train connections. The M1 and M6 are on the town's doorstep, putting Coventry, Royal Leamington Spa and Northampton within easy reach.

## STYLISH DESIGN, INSIDE AND OUT.

The development is named after James Hay Knox, one of the most successful football players and managers associated with the Oakfield football ground which once stood on the site. So, the exterior has retained a traditional style that's in keeping with the character of the area.

While the classic façade speaks to the past, you'll find every other element of the development is designed for modern living. Step inside the reception lobby and you'll find a bright, welcoming area. The contemporary style offers a warm welcome to homeowners, friends and family members alike.

Directly ahead is the light and airy bistro restaurant. It serves drinks, light snacks, and a delicious seasonally inspired menu every day. From here you'll discover the social heart of Knox Court, the communal lounge.

This is the thriving hub of the development. For our community, it's a space where they can spend time together. From a catch up over coffee in the morning to an evening gathering filled with fun and laughter. There's also

a quiet spot or two if you just want to settle down with a good book.

Thanks to large patio doors, the lounge makes it easy to access the pretty courtyard garden. Filled with seating, the patio is perfect for soaking up some sun or enjoying a relaxing evening with friends and neighbours during the warmer months,

Your eye will be immediately drawn to the immaculate beds and borders that edge the patio. Follow the path flanked by two elegant pergolas and you'll discover a giant's chess board. Feel free to try and check mate an opponent whenever the mood takes you.

Just as every move in chess demands deep consideration, every shrub, plant and tree in the garden has been carefully selected. Chosen for their vibrant colours or subtle hues, this tranquil oasis will delight throughout the seasons. What's more, you don't need to lift a trowel or wrestle with a lawnmower to enjoy it. We look after all the outside spaces for you.
