

# My Three Amigos

Three amigos

They talked to me  
These three little chaps  
They would laugh  
And chatter  
About this and that  
Conversations  
Silly and fun  
Their little lives  
Had just begun  
Those days  
They seem to last forever  
And I would never never  
At that time  
Believe it true  
How grown up  
They would become  
Phew!  
But time passes  
Quickly it does  
Lots of fun tears and fuss  
Ado about serious things  
And laughter  
We all just want  
And need  
A happy ever after  
A struggle it has been  
With adversity  
All unseen  
But today  
I'm feeling proud  
And I would really like  
To say aloud  
To my three amigos  
My children as such

How I love you so very much  
Each day I dearly think of you  
And when I am feeling blue  
I remember all our happy days  
Which now seem so far away  
When you were small  
And life was cheerful  
If only a little tearful  
Then  
Now you're doing good  
In the World so wide  
Busy bees now  
Grown  
Not at my side  
But in my heart  
Forever it's true  
I love you dearly  
Through and through  
So take the time to  
Just say hi  
As you your busy day goes by  
When you're young  
Important tasks  
Are only but a trivial mask  
Cos what's important  
Is to spend time  
With those you love  
As soon  
They're gone  
To heaven above  
And in your heart  
They will surely stay  
Until we meet again one day  
As Grandad often said to me  
Whilst we were  
having cups of tea!
